Loan Terms and Conditions

Membership

- Loans will only be granted to credit union members over 18 years of age.

Savings

- It is a condition of Savers Loans that you have been saving regularly for a period before the loan is granted; a poor or erratic savings record may result in your loan application being turned down.
- It is a condition of CURight Loans that you save an amount at least 10% of your loan repayments. With other loans you are encouraged to save at the same time as paying back your loan.
- Some of your shares will be attached to provide security for your loan. This means that you will not be able to withdraw these shares. The value of the shares attached will be stated on the loan agreement.
- Should you default on any repayment of the loan, all of your shares up to the outstanding loan balance will be attached to the loan and you will not be able to withdraw these.

Loans and Repayments

- Details of the loans available are given in our lending policy available from the office or the on the website.
- The maximum loan available is:
 - Savers Loan - £5,000 over 60 months
 - CURight Loan - £1,000 over 18 months.
- Check with the Credit Union for current maximum loan you can apply for.
- Loans are repaid weekly, fortnightly or monthly over the term agreed in the loan agreement.

Credit Committee

- The Credit Committee, appointed by the members at the Annual General Meeting of the Credit Union, will assess your application and if necessary they may ask for further information and/or an interview.
- The Credit Committee's decision is final.
- If your application is rejected or if the Committee offer a smaller loan you will be told the reasons.
- Once the Credit Committee have met and agreed the loan, it takes about a week to process.

Payment of the Loan

- Payment of the loan will not be made until you have signed a loan agreement form.
- Payments can be made by Bank Transfer (BACS) or cheque.
- If required the Credit Union will give you an authorisation code to enable you to cash your cheque at certain Post Offices. You will also need to provide some ID when cashing the cheque at the Post Office.

Interest

- Interest is charged daily on the outstanding loan balance.**
 - For Savers Loans the interest rate is 2% per month (APR 26.82%)
 - For SaversPlus Loans the interest rate is 0.4% per month (APR 4.91%)
 - For CURight Loans the interest rate is 3% per month (APR 42.58%)
- Interest is calculated upon the reducing balance of your loan. The quicker you are able to repay your loan, the less interest you will be charged. **There are no penalty fees for paying off your loan early.**

Loan Arrears

- Although the Credit Union will do what it can to assist members who have genuine reasons for falling behind with repayments it should be noted that all legal measures will be taken to recover the loan arrears.
- If your circumstances change, and you have difficulty meeting the repayments of your loan, please contact the Credit Union as quickly as possible. We will try to help our members who have run into difficulties, but it becomes more difficult to help if arrears have been allowed to mount up without contacting us promptly.
- You may be **charged** the cost of recovery action taken by the credit union if you do not repay your loan as agreed.

Recovery from Benefits

- If you default on any repayments of your loan then Gloucestershire Credit Union may pass information about you and your loan to the Department of Works and Pensions (or its successor) for their consideration to make deductions from any benefits that you are or will become entitled to.

A condensed guide to the use of your personal information by Gloucestershire Credit Union and Credit Reference and Fraud Prevention Agencies

- 1) When you apply to us to open an account, this organisation will check the following records about you and others (see 2 below)
 - a) Our own;
 - b) those at credit reference agencies (CRAs). When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders. They supply to us both public (including the electoral register) and shared credit and fraud prevention information.
 - c) those at fraud prevention agencies (FPAs).

We will make checks such as; assessing this application for credit and verifying identities to prevent and detect crime and money laundering. We may also make periodic searches at CRAs and FPAs to manage your account with us.

- 2) If you are making a joint application or tell us that you have a spouse or financial associate, we will link your records together so you must be sure that you have their agreement to disclose information about them. CRAs also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.
- 3) Information on applications will be sent to CRAs and will be recorded by them. Where you borrow from us, we will give details of your accounts and how you manage it/them to CRAs. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs and FPAs to perform similar checks and to trace your whereabouts and recover debts that you owe. Records remain on file for 6 years after they are closed, whether settled by you or defaulted.
- 4) If you give us false or inaccurate information and we suspect or identify fraud we will record this and may also pass this information to FPAs and other organisations involved in crime and fraud prevention.
- 5) If you have borrowed from us and do not make payments that you owe us, we will trace your whereabouts and recover debts.
- 6) Your data may also be used for other purposes for which you give your specific permission or, in very limited circumstances, when required by law or where permitted under the terms of the Data Protection Act 1998.
