

Getting the Right Loan from Gloucestershire Credit Union

Why borrow from Gloucester Credit Union

No matter what you need, we have a wide range of loans for both new and existing members.

We can lend up to £10,000 over 5 years. The purpose of this brochure is to summarise the different types of loan, the various key features and requirements, and importantly, help you decide which is most appropriate for you.

Save as you borrow

Gloucestershire Credit Union belongs to the people that are part of it, which means that when you borrow from us, you are effectively borrowing from the other members. In order to have money to lend, we need our members to save.

Whilst we always encourage all our members to continue saving, even if only a little, while they repay their loans, saving is a condition of having a CURight loans We believe that having a pot of savings to fall back on is a valuable financial safety net. Saving alongside your loan repayments helps to build your savings and reduces your need to borrow in the future.

How to apply for a loan

This document has loan summary table which should help you and our friendly volunteers ensure that you choose the best loan available from the options available. This simple process will give your application the best chance of success when it is submitted to our loans assessment team.

What you need to do next

Decide how much you need to borrow.

Select the best loan using the table overleaf.

Complete an application form – you can do this on our website or paper forms are available from our office and as downloads from our website.

Ensure all the supporting documentation is included. This is listed on the application form – proof of income, bank statements etc.

How we will assess your application

Once we have received your completed application, our loan assessment team will take over and will keep you informed of progress.

GCU is a responsible lender and will endeavour to ensure that we deliver loans which are affordable and appropriate to your circumstances.

We will not lend to anyone who is an undischarged bankrupt or is subject to a Debt Relief Order (DRO), Individual Voluntary Arrangement (IVA) or Debt Management Plan (DMP).

While assessing your loan application we will consider:-

- Whether you can afford the repayments,
- Any existing loans and savings that you have.

As part of our assessment we may conduct a credit check.

We aim to give you a decision on your loan within two working days, but if we need to ask for any further information this may take longer.

Your personal information within the application is dealt with in strict confidence as per our own policies and the Data Protection Regulations.
